DARREN | LEAD VOCALS, BASS, KEYS

Darren grew up in Los Angeles. He picked up the guitar at 13 after hearing Nirvana for the first time. Within 6 months, he was playing in his first band. This is where his love for Pearl Jam, Red Hot Chili Peppers, Pavement, and Stone Temple Pilots grew along with many other angsty bands of the early 90s.

He played in several bands in high school and college, doing some regional tours and hearing great music all throughout the West.

DAVE | GUITAR

David started playing the guitar at 17, after going to a ZZ Top concert.

It wasn't long before he was playing guitar in a local cover band including an 80's hair band called

The Sons of Thunder.

He also worked as a professional mobile disc jockey in the Houston, Texas market and would play numerous private events, and also performed remote broadcasts for Houston rock stations.

ADAM | GUITAR

Adam also grew up in Los Angeles. He bought his first guitar at 15, and was soon playing shows in the Los Angeles area. He has opened for numerous national and regional bands and his college band got some radio time.

In 1991 he performed his first live show, which included Jeremy, Hunger Strike, and Enter Sandman. Since then, he's played in multiple grunge, rock, hard rock, metal, and alternative original bands, and a several similar cover bands.

ERIK | DRUMS

Erik grew up in Seattle, in the heart of the grunge scene. He started drumming in middle school and in High School, he was awarded the Louie Armstrong Award, the top senior jazz award for the outstanding musical achievement.

Erik also plays guitar, and has played lead guitar in original bands, where he wrote the band's songs, and various rock and grunge cover bands.
