ABOUT US

PUT ON YOUR FLANNEL

AND JOIN US FOR A NOSTALGIC TRIP TO THE 90'S

We bring the intense vocals, thunderous guitars, and intricate drumming that defined 90's rock. Whether it is the heavy distortion of Grunge, the guitar-driven hooks of Alternative Rock, or the clean arpeggios of Jangle Rock, you will know every song we play

Off Ramp formed in 2016, and includes Darren (lead vocals and bass), Adam (guitar), Ryan (Guitar and Backing Vocals), and Erik (drums). They grew up in the 90's, playing in rock bands in the Los Angeles area (Darren and Adam) and in the Seattle area (Erik). They are original 90's rockers and got the opportunity to open for numerous national and regional touring bands in the 90's and early 2000's.

Ryan was conceived and born in the 90s.
